College Goal: Enhance Quality of Academic Programs

<u>Strategy 3.3</u> *Maintain existing program accreditations and expand in additional areas where appropriate. (Six of the seven academic programs within the College are fully accredited.)*

Metrics and targets for 2017-2018 Academic Year:

Develop a proposal for implementation of 0.5 FTE CHP accreditation data manager using the CHP "Employing Risk Assessment Methodologies in Determining Whether to Proceed in Undertaking New Projects".

o Target: August 2018

• On Target: Funding has been identified and draft position description has been developed.

Continue with implementation of the plan for seeking national accreditation for the undergraduate program in Public Health.

• Target: August 2018

Additional Resources Needed: To be determined.

Source of Additional Resources: Department/Area specific restricted use (RU) funds.

Evaluative Processes:

College Executive Council assesses progress semi-annually and reports to College. College leadership team adjusts actions as necessary to meet metrics and targets.

Strategy 3.4 *Guarantee that CHP students' learning experiences are maximized by ensuring that "Equal Access: Universal Design of Instruction Principles" are applied to all aspects of instruction (e.g., delivery methods, physical spaces, information resources, technology, personal interactions, assessments).*

Metrics and targets for 2017-2018 Academic Year:

All (100%) CHP Faculty/Educators with 0.5 FTE appointment or higher will complete <u>Ability Ally</u> Training in the 2017-2018 Academic Year.
