

➔ NURSING

ADMISSION INTO OUR PRE-LICENSURE PROGRAMS IS COMPETITIVE

Students are accepted into our programs based on their cumulative GPA, standardized test scores, and other factors. We have a limited number of spots available in each program, so we encourage students to apply early. For more information on our admission process, visit www.wsu.edu/nursing.

BACHELOR OF SCIENCE (BSN) IN NURSING PROGRAM

The Bachelor of Science in Nursing program is a four-year program that prepares students for entry-level nursing practice. The program includes coursework in nursing theory, clinical practice, and research. Students must complete a minimum of 120 credit hours to graduate.

TRADITIONAL BSN PROGRAM:

Students complete 120 credit hours over four years. The first two years focus on general education and nursing fundamentals. The last two years focus on advanced nursing practice and clinical experience.

EARLY ADMISSIONS BSN:

Students complete 120 credit hours over three years. This program allows students to complete their general education requirements in two years and focus on nursing coursework in the third year.

ACCELERATED BSN:

Students complete 120 credit hours over two years. This program is designed for students who have completed general education requirements at another institution.

MINIMUM ADMISSION REQUIREMENTS:

Students must have a minimum cumulative GPA of 2.75 (or 3.0 for accelerated programs) and a minimum score of 27 on the ACT or 1125 on the SAT. Students must also have completed general education requirements with a minimum GPA of 3.0. *See program website for more details.

The baccalaureate, master's and DNP programs at WSU are accredited by the Commission on Collegiate Nursing Education, (<http://www.ccnaccreditation.org>).
