

NIAR ITC: WORK ORDER PAGE SELF-SERVICE PORTAL USER GUIDE

Updated: August 24th, 2021

Work Order Page URL: <http://help.wsuniar.org>

You can sign into the new page using your NIAR credentials.

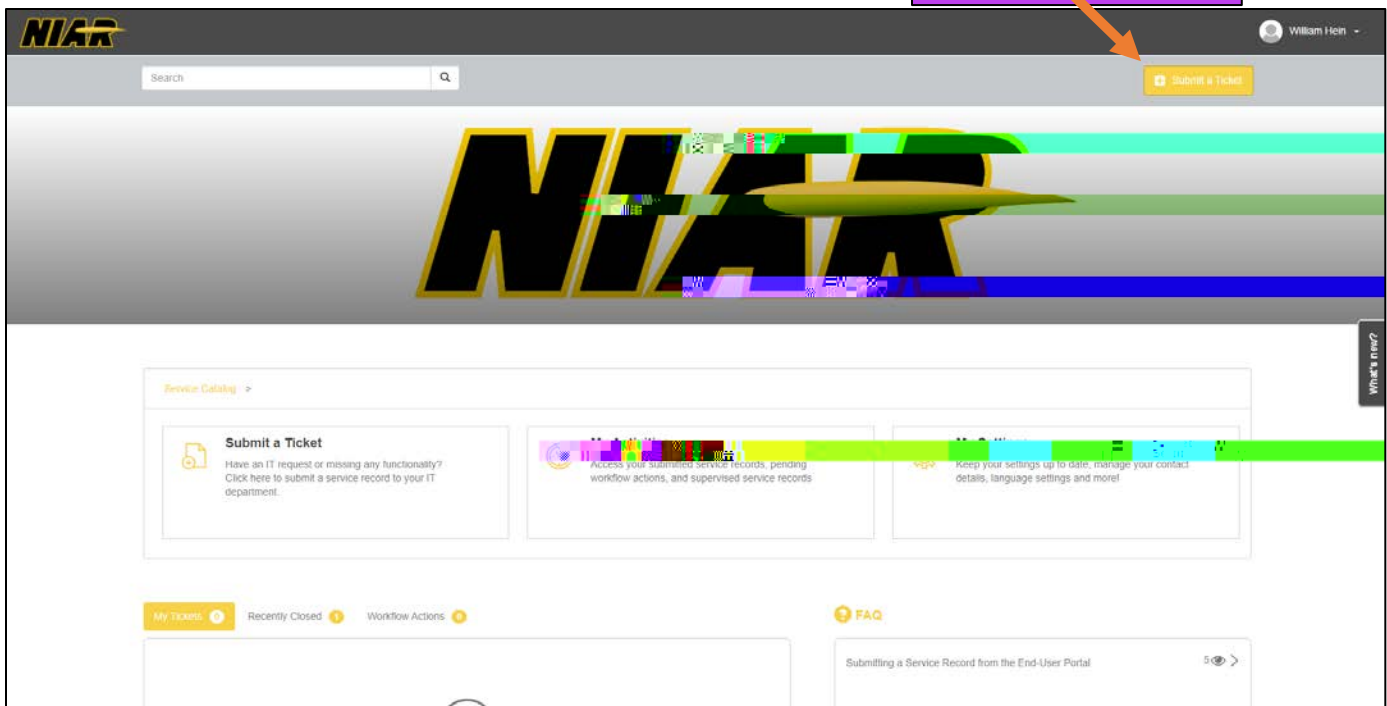

After signing in, you will be taken to the Self-Service Portal.

NIAR ITC: WORK ORDER PAGE SELF-SERVICE PORTAL USER GUIDE

Updated: August 24th, 2021

The Self-Service Portal allows you to enter new tickets, view open tickets, perform workflow actions, and view FAQs.

A new ticket can be created by clicking

Fill out the Template or Category fields to describe the nature of the ticket. Once completed, the rest of the request form will update to reflect the respective ticket type.

NIAR ITC: WORK ORDER PAGE SELF-SERVICE PORTAL USER GUIDE

Updated: August 24th, 2021

After a ticket is submitted; tickets and workflow actions can be viewed on the bottom left of the Self-Service Portal, and FAQs can be seen on the right.

Users can respond to work order related e-mails directly from Outlook/Web-mail/mobile e-mail app. Those e-mails will be logged onto the respective work orders as messages for the assigned IT admin.
