Preparing Presentations for the Closing Symposium

McNair/EPSCoR Scholars, as you make those final preparations for presenting your research at the symposium, minutes in length with an additional five minutes for questions. The following is a list of items to consider as you

Sound:

Diction:

Speed:

Use of Presentation Tools:

Knowledge of Topic:

Eye Contact:

Time Management:

Enthusiasm:

Are you passionate about your research? Do you have confidence in your topic? (passion/confidence) in your ability to relay the information?

Closing:

Other Things to Watch for: "ah" "uhm" "so" "you know" "like". Watch for fidgeting with

Mock Presentations are mandatory and will be held July 12 - 23 to "refine" your presentation skills. See Shukura Bakari-Cozart to schedule times.

McNair Facts: Did You Know?

In 1978,
Ronald E. McNair was
one of 35 applicants
selected for the astronaut
program from a pool of
ten thousand.

He was also nationally
known for his work in the
field of laser physics.
